

Solutions by LINET

The best in Europe

LINET Group is the biggest European manufacturer and supplier of hospital beds and other equipment for healthcare and the sphere of long-term care. On a global scale, it is among the TOP 3 in its field. Today, LINET Group has its own 3 production plants in Europe, and it exports to more than 100 countries where 16 subsidiaries and a network of local distributors provide customer care.

The future of care

LINET Group provides a comprehensive patient care solution. The beds, mattresses and other equipment are designed to support the treatment and convalescence of the patient as well as safe, ergonomic and less physically demanding nursing. Nowadays, LINET Group covers a wide range of products for hospital and outpatient care, home care and special sophisticated products for specific areas such as emergency, obstetrics or one-day surgery. The solutions of LINET Group are characterized by their innovativeness, design, and their mutual synergies.

Our goal is your 100% satisfaction

LINET MEA is based in the Dubai Design District and provides support to the customers and partners of the LINET Group in the Middle East and Africa region. The sales network includes 28 partnership organisations focused on distribution and servicing.
